Definition of Terms:

1. **Licensee:** The holder of a license through a written agreement by which a party grants another party one or more rights (but fewer than all rights), usually limited to a particular territory and/or time period. A license may be granted as sole, exclusive, or non-exclusive.
2. **Mortgagee:** The lender in a mortgage, typically a bank.
3. **Resale Right:** The right of artists or their heirs to receive royalty from the resale or lease of their work. It also means their right to participate or share in the proceeds of the subsequent sale or lease of their work. It is also called "droit de suite." The subsequent sale must involve a professional party or intermediary. In case of lease, the same must be for a period longer than one (1) year and covered by a written contract. This is discussed further in IPOPHL M.C. No. 2020-023, or the Rules on Resale Right.

   It is important to note that resale right applies to the sale or lease of an author's original works of painting, sculpture or manuscript subsequent to the first disposition thereof by the author. Thus, it does not include the following:

   a. Prints, etchings, engravings, works of applied art, and works of a similar kind wherein the author primarily derives gain from the proceeds of reproductions; and,

   b. Subsequent sales that are:
      i. Made directly between private individuals without the participation of an art market professional; or
      ii. Made by individuals to public museums.

4. **Resale Right Enrollment:** Enrollment of an original manuscript, sculpture, painting, and musical composition in the National Registry of Qualified Works maintained by the Intellectual Property Office of the Philippines' (IPOPHL) Bureau of Copyright and Other Related Rights.
